Dear Parents of 4:12 Students,

We so glad that your student is a part of our Wednesday night 4:12 (7th and 8th grade) youth group. We have a good program and leadership team in place during this interim time when we are without a youth pastor.

Our 4:12 program is set up around a four week rotation. The first and third Wednesdays of each month are worship nights. The second Wednesday is a community night and the fourth Wednesday will be a mission and service night.

We will often leave Forest Park on community and mission/service nights. We will always meet at church and return to church. Therefore, you will always drop your child off and pick him up at Forest Park. In order to avoid your needing to sign a permission slip each week, I have included a permission trip granting permission for your child to go on any of our outings.

On Wednesday, November 28, the students have a service night at Hope's Outlet on Glade Street. Please send your child's signed permission slip with him or her on that night. On December 12 we will be going to Seminole Shores Assisted Living Center to greet residents and sing Christmas carols.

We will communicate these plans each week through the website (student ministries: 4:12 information) and the church bulletin. If you have any questions, please feel free to call me.

Sincerely,

Lynn Kamps
