

Sample Mexico mission trip support letter

Date _____

Dear _____,

This summer I will be traveling to Saltillo, Mexico, with my youth group on a short-term mission trip from July 19-27. Our team of 50 students and leaders from Forest Park Covenant Church will partner with three churches in Saltillo to do construction work and children's ministry. As we serve God together, we look forward to interacting with our Mexican hosts and experiencing their culture.

I am excited to have the opportunity to be a part of this great team. We will work very hard, but I know we will benefit from serving and working with others as much as we give.

I also know that to be a missionary, I must have God's support and the support of others.

First of all, I am asking for your prayer support for me and for our team.

Secondly, I am asking for your financial support as a sponsor. I am responsible for raising \$1100 to cover my costs which include air fare, van transportation, ministry materials, food, insurance, and accommodations. To meet these expenses, I have been saving my money from _____, working at (church fundraisers), and _____ to be able to pay for as much of this trip as I can. However, I still need to raise (your amount) by June 1 to be able to go. I would appreciate any amount that you could donate. (Please see the attached sheet from Forest Park Covenant church regarding the IRS guidelines for giving.)

Please continue to pray for me and our team as we prepare for mission trip. Of course, I will be eager to share with you the events from the trip.

Thank you very much.
