

High School (9th-12th) Grade Program Information

Sunday Mornings:

Sunday School for grades 8-12 meets at 11:05 in the Student Center

Sunday School for grades 8-12 will focus on two primary vehicles for connecting to God: musical worship and relevant teaching. Students will participate in *The Story* curriculum which will reinforce and expand on the messages given during the worship services.

One of the great features of *The Story* is the weekly devotional page available for families. Check out the Student Ministry page of the church's website for a link to the devotionals.
