

## Sundays at Forest Park - 9:30 and 11:05 am

We provide loving care for infants at all of our services. Our paid staff will provide you with a pager while your child is in our care so you can be contacted if your child needs you.

A play-time intermixed with Biblical activities is provided in "The Forest" for 2-3 year old children during Sunday School. Snacks may be offered.

The Park is for 4 - 5 year olds and includes Biblical activities which are intermixed with play-time during Sunday School. Snacks may be offered.

### FPCC KIDS are...

Students, grades 1 - 5 meet in the education wing of the church. Both Sunday School hours are identical in content and utilize a variety of learning styles using a rotation model of learning.

Students rotate weekly with their grade level shepherd to workshops focusing on art, drama, computers and Bible knowledge for each unit of learning.
